Making Known the Love of Christ –
Bearing the Fruit of the Spirit

From the 3rd Grade

The third graders have recently been studying about Elijah. We learned how God used ordinary things like bread, meat, ravens, flour, and oil to provide for Elijah in extraordinary ways. God uses situations in our life-some unusual and some ordinary-to provide for us, too. The third graders wrote letters to Elijah telling him about God's care for them:

- Dear Elijah, God protects me. He washed away my sins. He is the greatest thing that ever happened to anyone. Anna
- God has helped me when I was sick. He helped me go back to school the next day. Blessings, Kalee
- God had taken care of me my whole live. Even when I became sick with allergies, asthma, and eczema. Zion
- God has taken care of me in many ways. One way is by providing food and water. Another way is giving us a house to live in. Carly
- I think God is thinking about me now. God loves me a lot. He is watching me. Gunnar
- God is very helpful to me. He gave me shelter. Your loving pal, Dominic
- God helps me in many ways. God gives me shelter when I need it. Blessings, Cade
- God has taken care of me so much! He provides always for me. He also comforts me whenever I am scared or in times of trouble! Blessings, Naomi
- I think God is taking very good care of me. He provides food and drink for me. Blessings, Abby
- God takes care of me by loving me. He also takes care of me by caring for me. Luke
- God protects me and died on the cross and provides food and water. Sincerely, Levi
- God is our loving God. He helps with our every need. Andrew
- God sent Jesus to save us from the sin of the world. Olivia

INCLEMENT WEATHER

Over the past few days, the snowy weather has caused many parents and students to wonder about school closings or delays. The best way for parents to get the information (and for us to provide it most efficiently to you) is for parents to follow the guidelines on pp. 20-21 of the Student/Parent Handbook for 2009-2010. We can quickly post in on our website and on Twitter. WHBL -1330AM is also a reliable way for parents to get closing and delay information. Trinity will almost always follow the decisions of the Sheboygan Area School District. Parents always have the final decision as to whether it is safe for their children to be transported to school. Have a safe winter.

ENGLAND, EGYPT, ROME, AFRICA

Do you remember your child visiting England in 2004, Egypt in 2005 or Rome in 2007? It's time to travel to Africa. The 6th/7th graders of Trinity are studying the continent of Africa. At the conclusion of this study, they will be presenting their findings. They will be displaying information about Africa through various topics, including food, clothing, dance, homes, education and alike. The date scheduled is late February. **The classes are in need of a few basic supplies.** The items are big sheets of cardboard, toy African animals, other items that pertain to the continent of Africa. These items would be returned upon completion of the project, except the cardboard. If you can help, please contact Mr. Stenklyft. See you in Africa!

JUMP ROPE FOR HEART
