Making Known the Love of Christ –
Bearing the Fruit of the Spirit

From the 1st Grade

Faithfulness~ Be faithful until death, and I will give you the crown of life. Revelation 2 :10

Faithfulness is perhaps the best fruit of the Spirit. Faithfulness is remaining true to what one believes in, doing right under all circumstances, and living out one's faith in God by daily acts of faithfulness. We can't live a faithful life on our own. The Holy Spirit empowers us to do so. When we are faithful we can receive all of the other fruits of the Spirit in our lives.

Being faithful requires a strong faith in God. Faith gives assurance that God is in control and can handle whatever happens. When we truly understand that God is faithful in all circumstances, we can exercise our faith in God by living a faithful life. Paul wrote that "we walk by faith not by sight".

The First Graders are learning that faith is a gift from God. We are developing our faith by reading God's Word, remembering and retelling stories of God's faithfulness, and gathering together with our fellow believers in worship, both in the classroom and in church. We are thankful for faithful members of our church. Through your support and prayers we are able to come to Trinity school every day and hear about God's love, forgiveness, and salvation. We thank God for you and pray for His blessings on you.

Catechism

What is Confession?

K+ What is Confession? Confession has two parts. First, that we confess our sins, and second, that we receive absolution, that is, forgiveness, from the pastor as from God Himself, not doubting, but firmly believing that by it our sins are forgiven before God in heaven.

What sins should be confessed?

2nd+ *What sins should we confess?* Before God we should plead guilty of all sins, even those we are not aware of, as we do in the Lord's Prayer; but before the pastor we should confess only those sins which we know and feel in our hearts.

NATIONAL JUNIOR HONOR SOCIETY & STUDENT COUNCIL MEMBERS

Don't forget that in order to remain in these groups, volunteer hours are needed! There is an opportunity coming up on Saturday, March 20th. Join Trinity to help serve the Emmaus Meal at the Salvation Army. Contact Frau Miske with any questions.

CONGRATULATIONS to 8th

Grader Joe Jentsch who qualified to compete in the State Geography Bee in Madison, Wisconsin. Joe will be competing on April 9th against 100 of the top scoring finalists in Wisconsin. We wish Joe the best as he represents Trinity.

TRINITY SHOWCASE 2010 was a huge success! This year's showcase realized approximately \$6,900. A portion of the money will be used by the PTL to help the school purchase a few much needed laptop computers for our teachers. We could not have done this without you! Thank you for your donations and your participation in the Trinity Showcase. It was a great day of Christian fellowship enjoyed by all! We hope to see you next year at the 2011 Trinity Showcase!

SCIENCE FAIR UPDATE

Since January 4th, Trinity's 6-8 grade students have been diligently preparing for the Trinity Science Fair being held on April 9th in Trinity's gymnasium. Topics, purpose questions, hypotheses, and procedures have all been turned in. Now during the final month of preparation, the students will be completing their experiments, completing their logbooks, designing and finishing their display boards, and getting ready for their face-to-face judging on April 9th. Good luck, Trinity scientists!

RE-ENROLLMENT FORMS

It's time to re-enroll at Trinity! Forms were mailed home in February. The deadline for early registration is March 26th, after that the registration fee for returning students will be \$150. If you know of a friend, relative or neighbor who might be interested in a quality, Christ-centered education, please call Mr. Becker in the school office.

SPRING PICTURES

On Tuesday, April 13th, Lifetouch will be here to take spring school portraits. For spring pictures, no money is needed the day pictures are taken. There is no charge for students to get their pictures taken and no obligation to purchase pictures. When you receive your picture package, you will then make the decision as to which pictures you would like to purchase. Forms will be sent home the week before spring break with more information.

PENNIES FOR PLAYGROUND

Each classroom is collecting change to raise money for the proposed playground at the TLMC. The classroom that collects the most money on average per student wins an ice cream party from the PTL. All coin money will be accepted and counted towards the total. Coins will be counted on Friday afternoon, March 12th and the winning class will be announced at the Pep Rally. Donations and pledges from the Trinity Showcase totaled \$1,010. That's a great start toward our goal of \$18,000. With your generosity we have a goal to have the playground installed the beginning of the 2010-2011 school year.

MUSIC FESTIVAL RECITAL

This past week Trinity students, along with students from six other area schools, participated in the annual SALSA Music Festival. Trinity students brought home 20 blue ribbons (first place) and 4 red ribbons (second place.) Our school choir, the Trinity Singers, also earned the highest rating, scoring 27 out of a possible 30 points. Nine students from Trinity were recommended by the judges to perform in a public recital on Sunday, March 21st at 2:00pm. They are: Amanda Baker, Hannah Barrow, Jordan Barrow, Maggie Gruben, Jeffrey Hess, Caitlyn Kaiser, Liz Rindt, Gabriella Schneider, and Jonathan Watson. The recital will be held at St. John Lutheran Church, Plymouth. We hope you will attend to show your support for our talented Trinity students.
