Making Known the Love of Christ –
Bearing the Fruit of the Spirit

From the 1st Grade (afternoon)

First grade afternoons continue to be fun and full of learning experiences! Most recently we have kept our eyes on the nest of duck eggs under the steps of the climbing structure on the playground. We were quieter in the nesting area and kept our distance so that the mother duck could keep her eggs warm and safe. This past week, when Mrs. Kirst came to school, she saw the mother duck leading her ducklings across 9th Street. Traffic stopped as the mother duck proudly lead her babies to safety. Mr. Becker was able to go and take a picture of the family on the move. We could see the spotted, fluffy feathers of the newborns and we talked about how God provides a type of camouflage to protect the young babies.

Now, in language class, we have been learning about writing a friendly letter. We are learning the parts of a letter, and we are anxious to write a letter and mail it!

In science class, we have been learning about the layers of the earth's covering. It was fun when we put on goggles and carefully looked at different soils. We've been talking about the wonderful world God has created for us!

In social studies we have been learning about government. We have learned that a mayor is the head of city government, a governor heads state government, and the President is the head of our nation. Choosing our leaders is an important part of living in the United States of America, and voting is a privilege we look forward to when we are old enough. Right now, we pray for our leaders.

First grade afternoons have been fun and full of learning! Now we are looking forward to going upstairs and being second graders with Mrs. Becker! We can't wait!

May God bless the remainder of our school year, and may He give us a summer when we can spend time with our families in worshipping, being helpful, and having fun together.

God bless all of you!
Mrs. Kathy Kirst

Luther's Morning Prayer

I thank You, my heavenly Father, through Jesus Christ, Your dear Son, that You have kept me this night from all harm and danger; and I pray that You would keep me this day also from sin and every evil, that all my doings and life may please You. For into Your hands I commend myself, my body and soul, and all things. Let Your holy angel be with me, that the evil foe may have no power over me. Amen.

Luther's Evening Prayer

I thank You, my heavenly Father, through Jesus Christ, Your dear Son, that You have graciously kept me this day; and I pray that You would forgive me all my sins where I have done wrong, and graciously keep me this night. For into Your hands I commend myself, my body and soul, and all things. Let Your holy angel be with me, that the evil foe may have no power over me. Amen.
