

Trinity Evangelical Lutheran Church & School

824 Wisconsin Avenue · Sheboygan, Wisconsin 53081

Dear Parent,

Warm greetings from Trinity Lutheran School!

Trinity Lutheran School provides a **high quality, Christ-Centered education** for children in 3K through grade 8. We conducted a survey of parents and other supporters of Trinity Lutheran School. Here are four of the hundreds of comments that were shared:

- Faculty and staff are dedicated beyond comparison. They truly care about each and every student. They are true teachers of Christ.
- I recommend our school because of the academics and the high moral character and religious education programs. Our music program is also very strong and makes it easy to recommend Trinity.
- The connection between home and school is very strong.
- The children learn Law and Gospel and can pray to their Lord and Savior Jesus Christ.

We were recently **re-accredited by National Lutheran School Accreditation of the Lutheran Church - Missouri Synod**. We have an excellent school and are continually working to improve the education we offer to families. Trinity's 3K and 4K programs are offered five mornings a week. Our 5K to Grade 8 programs are five full days a week. We invite you to register your child for the 2017-2018 school year.

- **Current families** my log into your Sycamore account and register under My School.
- **New families**, simply go to our Enrollment Portal at: <https://goo.gl/XyMC70>
 - Click on the green Register button on the page and follow the instructions. Once logged in, follow the Enrollment Road Map on the right hand side of the page.

If you have questions about the educational programs at Trinity or the enrollment process, please contact me (principal@trinitysheboygan.org or 458-8248).

The Tuition and Fees that you pay are a portion of the total cost to educate your child. *(The cost for Trinity Lutheran Church and School to provide this education is over \$7000 per child)* You may incur other fees for Band, Yearbook, Outdoor Education, Athletics, Confirmation, lunch, milk, etc. Some of these fees are still to be determined for the 2017-2018 school year. We will communicate these to you when they are finalized.

(continue reading on reverse side)

Once we have received your completed online application, we will send you **information about setting up a payment plans** for the upcoming year. Trinity again will use TADS to manage the collection of your tuition and fees.

We offer **Childcare for 3, 4, and 5 year olds** at the Trinity Lutheran Ministry Center. Families who need a caring, Christian environment for their children beyond the normal school day can enroll their children. Soon, this Childcare Center will be licensed by the State of Wisconsin. **Before and After School Care** will continue to be offered at our main building for 1st through 8th graders.

We look forward to having your child enrolled at Trinity Lutheran School. **As you and our staff join to educate our precious children, we need to make the following commitment.** We will strive to have our own families strengthened by faithful and weekly hearing of God's Word in worship, regular Bible Study, and family devotions. Our children's and our personal spiritual health have eternal consequences. So, while we educate these children academically for their earthly life, we are also providing them with valuable spiritual training for this life and the life to come.

As you plan for the 2017-2018 school year, please consider relatives, neighbors and friends who would also benefit from daily Christian education at Trinity. Please share the good news about Trinity and direct them to contact the school office or me for more information. We look forward to serving your family and would like to serve even more families and children next year.

In service to Christ,

A handwritten signature in cursive script that reads "Mr. Greg Becker".

Greg Becker, Principal
