

Trinity Lutheran School – Making Known the Love of Christ

Dear Parent,

Warm greetings from Trinity Lutheran School!

Trinity Lutheran School provides a quality, Christ-Centered education for children in 3K through grade 8. Daily instruction in God's Word by Christian teachers helps these students to grow in faith and in love for God and others. Students also receive excellent instruction in the remainder of the academic disciplines (math, science, social studies, reading, English, foreign language, spelling, etc.). We were recently re-accredited by National Lutheran School Accreditation of the Lutheran Church - Missouri Synod. We have an excellent school and are continually working to improve the education we offer to families.

We invite you to register your child for the 2012-2013 school year.

Returning Students: A Re-enrollment Form can be downloaded from our web site. Submitting this form and \$50 Registration Fee by March 31, will help us to better plan for the upcoming year. After March 31, the registration fee will increase to \$150.

New Students: An Application for Admission Form can be downloaded from our web site. Please submit the form and the \$50 Registration Fee to begin the admission process.

If you have questions about the educational programs at Trinity or the enrollment process, please contact me.

The Tuition and Fees that you pay will help Trinity Lutheran Church and School cover the costs related to operating Trinity Lutheran School. (You are only paying a portion of the \$5000 cost to educate a Trinity student for one year.) Please refer to the enclosed enrollment form for next year's tuition figures. (As you are able, please consider making additional gifts to help make this valuable Christian education available for our students.) You may incur other fees for Band, Yearbook, Outdoor Education, Athletics, Confirmation, etc.. Some of these fees are still to be determined for the 2012-2013 school year. We will communicate these to you when they are finalized.

Once we have received your re-enrollment or application form, we will send you information about acceptable payment plans for the upcoming year.

We offer extended care for 3, 4, and 5 year olds at the Trinity Lutheran Ministry Center. Families who need a caring, Christian environment for their children beyond the normal school day can enroll their children. Child care will be offered from 7 am to 5:30 pm. Before and After School Care will continue to be offered at our main building for 1st through 8th graders.

We look forward to having your child enrolled at Trinity Lutheran School. As you and our staff join to educate our precious children, we need to make the following commitment. We will strive to have our families strengthened by faithful and weekly hearing of God's Word in worship and by attending Bible Classes regularly. Our children's and our personal spiritual health has eternal consequences. So, while we educate these children academically for their earthly life, we are also providing them with valuable spiritual training for this life and the life to come.

As you plan for the 2012-2013 school year, please consider relatives, neighbors, and friends who would also benefit from daily Christian education at Trinity. Please share the good news about Trinity and direct them to contact the school office or me for more information. We look forward to serving your family and would like to serve even more families and children next year.

In service to Christ,

Greg Becker
Principal
